SBA 8(a) CERTIFIED - AND - HUBZone CERTIFIED BUSINESS

COMPANY OVERVIEW

McFarland Construction is a full-service, commercial construction firm specializing in project delivery through General Contracting, Design-Build and/or Construction Management engagements. Organized in 2010, our team of more than 35 construction and business professionals deliver service excellence on complex projects ranging in size from \$250k to \$25M. We take great pride in organizing, planning and implementing construction projects, while maintaining our core values of: **Community • Commitment • Collaboration.**

CORE SERVICES

- Project Administration
- General Contracting
- Construction Management
- Design-Build
- Project Controls
- Safety/OSHA Compliance
- LEED Certification
- QA/QC

MARKET SEGMENTS

- Commercial
- Education
- Energy/light industrial
- Federal/military
- Mission critical
- Multi-family
- Renewable energy
- Transportation

DIFFERENTIATORS

- Strong leadership team.
- Proven long-term vendor with key clients.
- Strong reputation of project excellence.
- Extensive experience with MEP construction and with performing projects in occupied facilities.
- Both SBA 8(a) and HUBZone certified business.

SAFETY

- Dart rate: 0
- Rigorous subcontractor vetting process
- Zero tolerance for non-compliant practices

MANAGING PRINCIPAL

Tino McFarland, President & Founder, has over 19 years of comprehensive construction experience. This experience - combined with a BS in Civil/Structural Design, and a Masters degree in Finance - has perfectly equipped Tino to successfully lead in delivering service excellence - while upholding McFarland's core values - and building a team commonly referred to as a trusted partner.
